TERMS AND CONDITIONS

Measurement Requirements:

Clients must provide accurate room measurements, including length, width, height, and other details.

Payment:

Full payment is required before the design process begins. Payments can be made via bank transfer.

Number of Revisions:

Each room design includes two drafts: the first draft is the initial version, and the second draft is the final version based on client feedback. Additional revisions will incur extra charges.

Delivery Time:

Upon receipt of the payment, the floor plan will be provided within 7 business days after the online consultation. The 3D render will be delivered within 5 business days after the floor plan are approved.

Copyright:

The design rights belong to Go Ideas. The design files provided to the client will be in JPG format. If the client requests the original design source files, an additional fee of \$500 will be charged to purchase the copyright of the source files.

Refund Policy:

Once the design process has started, no refunds will be issued. If no agreement is reached during the design process, the client may choose to terminate the service or proceed with further discussion. We will provide additional suggestions and references, but no additional design files will be provided beyond the initial and revised drafts.
